

UNICITY NEIGENE TREATMENT ESSENCE

There are many things worth protecting. We buy locks and alarm systems for our homes and cars, and even safes for the items inside of them. We protect our clothes with raincoats and umbrellas and our hands with gloves. We protect important documents with briefcases and important files with passwords. So what about protecting your skin?

Neigene Treatment Essence acts as a sealant for your face, protecting what makes you feel healthy and beautiful. This light hydrating tonic,

developed for all skin types, helps to restore balance to the skin while being quickly absorbed. It works to lock in moisture—vital for good skin health. This sealant also helps keep makeup in place, so your look stays in place all day long. In addition to sealing, Treatment Essence helps protect your skin from the environment. It's a great way to finish your look each day.

BENEFITS

Helps lock in moisture in the skin.
Works as a sealant and aids in keeping makeup in place.
Provides protection from the environment. *

SUGGESTED USE

Spray 1-2 times directly on face or a cotton pad and gently smooth into the face.
Avoid contact with eyes

AUDIENCE

Primary Target: People who want to maximize their skin's moisture during the day.
Secondary Target: Individuals looking for additional protection from the environment.
