

UNICITY DAILY SUNCARE

The continuously depleting ozone layer has put us at a higher risk of getting affected from the harmful rays of the sun.

Also, all of us love to have younger looking, radiant, and healthy skin. And, this is one of the most convincing reasons to start using sunscreen.

There are two kinds of ultraviolet rays emitted from the sun. UVA (Ultraviolet radiation) and UVB. UVB rays are the ones that cause sunburn

and their intensity varies from summer to winter. UVA rays have the same intensity during summer or winter.

It's important to know that UVA rays are the ones that penetrate deeper into your skin and can cause skin aging and skin cancer. UVA damage is not reversible and we must protect ourselves at all times of the year from these rays.

BENEFITS

- ✓ Helps to block the rays from penetrating the skin.
- ✓ Keeps skin moisturized and soft with sun cream in refreshing moisture-full cream type.
- ✓ Helps neutralize free radicals, improves skin's appearance, and as an active sunscreen, it protects against UVA and UVB rays.
- ✓ Helps smoothly over skin to create a perfected finish and to work as an excellent makeup-base.

SUGGESTED USE

After cleansing and toning, apply a generous amount to face and neck.

Sunscreen should be applied around 15 minutes before going out into the sun and reapplied at least once every 2 hours. In water, it should be reapplied every 40 minutes, or more often if the instructions say so.

TARGET CUSTOMER

Primary Target
: Suncare users

Secondary Target
: People who want to avoid UVA and UVB
People who do not want wrinkles caused by UV ray.

INGREDIENTS

WATER, CYCLOPENTASILOXANE, ETHYLHEXYL METHOXYCINNAMATE, ETHYLHEXYL SALICYLATE, ZINC OXIDE, DIPROPYLENE GLYCOL, BUTYLENE GLYCOL, PEG-10 DIMETHICONE, TITANIUM DIOXIDE, ISODECYL NEOPENTANOATE, DISTEARDIMONIUM HECTORITE, MICA, DIMETHICONE, MAGNESIUM SULFATE, METHYL METHACRYLATE CROSSPOLYMER, CALCIUM ALUMINUM BOROSILICATE, PHENOXYETHANOL, ALUMINUM HYDROXIDE, ALUMINUM STEARATE,

DIMETHICONE/VINYL DIMETHICONE CROSSPOLYMER, METHICONE, FRAGRANCE, GLYCERYL CAPRYLATE, CAPRYLYL GLYCOL, TOCOPHERYL ACETATE, POLYGLYCERYL-6 POLYRICINOLEATE, BIOSACCHARIDE GUM-1, SODIUM HYALURONATE, IRON OXIDE(CI 77492), TRIETHOXYCAPRYLYLSILANE, ALOE BARBADENSIS LEAF JUICE, CITRIC ACID, POTASSIUM SORBATE, IRON OXIDE(CI 77491), SODIUM BENZOATE

CAUTION

For external use only.

Avoid contact with eyes.

For children under 6 months of age, consult doctor prior to use.

Keep out of reach of children.

Store in a cool, dry place.
